

3M 12109-10000

Details

- Sporty, wraparound frame design
- Adjustable temples
- Soft nose bridge
- Clear lens
- Black temple
- 3M DX Anti-fog Hard Coat
- Polycarbonate lens absorbs 99.9% UV
- Meets the requirements of CSA Z94.3-2007 and the High Impact Requirements of ANSI Z87.1-2003

Sleek-styled QX protective eyewear blends clarity and safety with a soft nose bridge and adjustable temples, anti-fog coating, and a wraparound, polycarbonate lens.

The sweeping curves of the polycarbonate lens and accented frames give QX protective eyewear sporty style. With a wraparound design and seamless coverage, QX protective eyewear delivers distortion-free vision with peripheral clarity. It is available with options to maximize fit and comfort, with two temple designs and two nosepiece options for greater comfort and protection.
