

3M-BT-20L Versaflo Breathing Tube

Details

- Size: Medium/Large

The 3M™ Versaflo™ BT-20L Breathing Tube connects any Versaflo Headtop to any Versaflo air source. Size: Medium/Large.

Some non-Versaflo PAPR and Supplied Air Valve configurations require adapters to work with the BT-20L Breathing Tube. Please consult your 3M™ Product Matrix for details.
